

Xelix Named Accounts Payable 'Solution Partner of the Year' at the 2023 Accounts Payable Association Awards

The Xelix team collected the award at the 2023 Accounts Payable Association Conference and Awards Ceremony held at the National Conference Centre (NCC) in Birmingham on 17th October.

London, United Kingdom Oct 27, 2023 ([Issuewire.com](https://www.issuewire.com)) - The Xelix team collected the award at the 2023 Accounts Payable Association Conference and Awards Ceremony held at the National Conference Centre (NCC) in Birmingham on 17th October.

Award category finalists included over twenty outstanding AP solution partners, making this recognition all the more significant for Xelix.

The winner was determined through a rigorous process that involved customer nominations and careful evaluation by a panel of industry judges.

Mike Pavely, Partnerships Director of the Accounts Payable Association commented:

“With so many customer entries this year praising Xelix’s commitment to customer service and their consistently high level of customer care and support throughout both the initial sales cycle and ongoing customer relationship management process, we are delighted to have been able to recognise their

outstanding performance this year with this prestigious award.”

Xelix would like to extend heartfelt gratitude to their valued customers for their nominations and to the judging panel for recognising the contributions Xelix provides to the industry.

Paul Roiter, CEO of Xelix, shared his appreciation:

“Winning the 'Solution Partner of the Year' award is an honour for us. It reflects the dedication and hard work of the entire Xelix team, as well as the trust and support of our customers. We are committed to our mission to deliver innovative and effective Accounts Payable solutions to our customers and this recognition further motivates us to continue this mission at pace.”
