POLITICALLY CORRECT MORAL AUTONOMY

CHRISTIANITY BESIEGED! STIRRING
THE MELTING POT TO A BOIL

by Ferd Wagner

On what basis should we accept or reject political or social philosophies that insist human nature, human wisdom and human cooperation have the potential to resolve our issues and problems if we buy into the morality espoused by liberal politics and liberal resolutions? Should we side with progressives who see most people as good, free to self-determine their own standards and will do the right thing if given the opportunity?

Guadalajara, Jalisco Nov 21, 2023 (IssueWire.com) - This year's Guadalajara International Book Fair, author Ferd Wagner will partake at the event, together with Bookmarc Alliance, to showcase his book — *Politically Correct Moral Autonomy: Christianity Besieged! Stirring the Melting Pot to a Boil*.

“Is the authority a person, institution, document or charismatic leader and speaker?” — Ferd Wagner

In his latest book, Ferd Wagner addresses the pressing social issue of navigating moral autonomy amidst modern pluralism in his book, *Politically Correct Moral Autonomy: Christianity Besieged! Stirring the Melting Pot to a Boil*.

Wagner sets out to answer the provocative questions of how to combine the views of progressive and conservative politics without compromising the moral rights of any party. From political to religious, Wagner delves into the depths of each authority and the personal experiences of those involved in order to reach an unbiased solution. He argues for a holistic approach to moral autonomy and guides the reader to ask the right questions when seeking a solution.

Politically Correct Moral Autonomy: Christianity Besieged! Stirring the Melting Pot to a Boil invites readers to face moral dilemmas with a stronger insight into the complexities of alternate views, cultures, and traditions for a more comprehensive understanding of morality in modern life.
