Austin, Texas Nov 9, 2023 (Issuewire.com) - If you've ever found yourself lying awake at night, pondering the mysteries of life beyond time, dreamt of the enigmatic creatures of Revelation, or felt the frustration of not knowing how to properly wield an athame, then you're in for an extraordinary literary treat. Renowned author Bernie L. Calaway is set to captivate readers with the first volume of his

groundbreaking series, History, and Mystery: The Complete Eschatological Encyclopedia of Prophecy, Apocalypticism, Mythos, and Worldwide Dynamic Theology, which is sure to become an indispensable resource for scholars, teachers, and curious mind everywhere.

This visionary work comprises four volumes of exhaustive information, featuring over 10,000 meticulously defined words and phrases, 60 exploratory essays, and mini-sections connecting the intricate world of theological concepts. With History and Mystery, readers will embark on an enlightening journey through the realms of prophecy, apocalypticism, mythos, and worldwide dynamic theology, ultimately becoming the best-informed readers in their neighborhood and beyond.

Bernie Calaway, a retired Navy chaplain and biblical scholar, brings a unique perspective to this monumental undertaking. His rich background and expertise in theology and biblical studies have paved the way for this unparalleled encyclopedia. A native Texan, Bernie quickly realized his calling was in ministry, not in cotton farming on the high plains. In active retirement, he has channeled his passion into writing, drawing, and preserving the tranquility of his backstoop from curious squirrels. Mr. Calaway is no stranger to the literary world, having authored eight nonfiction books, with almost all of them published by Authors Press, and two captivating collections of fables, including 101 Fun Fables. His existing titles, such as Revealing the Revelation, Discernment from Daniel (also featured at the 2023 Texas Book Festival), Operation Revelation: A Teen's Guide to Earth's Final Curtain (co-authored with another author), and Oracles from Olivet: The Eschatological Jesus, have garnered acclaim for their depth and insight. However, his latest creation, History and Mystery stands as a five-volume magnum opus, setting new standards in the exploration of biblical terms.

As a testimony to Bernie Calaway's significant contributions to literature, four additional works by the author will also grace the 2023 Texas Book Festival. This extraordinary showcase of his writing prowess will undoubtedly make the event a hub for those seeking to explore theology, biblical prophecy, and eschatology.
