Abu Zabi, United Arab Emirates Nov 28, 2023 ([IssueWire.com](https://www.IssueWire.com)) - Suntari Resorts, an esteemed subsidiary of ADCN, and a distinguished name in luxury hospitality, proudly announces its expansion with a new 400-villa resort in the idyllic setting of Zanzibar. This momentous project signifies a major step in the company's global expansion and underscores ADCN's commitment to driving sustainable value and diversity in Abu Dhabi's economy through strategic investments in hospitality and leisure.

Renowned for its luxurious accommodation in the Maldives, Suntari Resorts brings its expertise to Zanzibar, offering an exclusive sanctuary that harmoniously blends Suntari's signature elegance with Zanzibar's unique cultural and natural allure. The resort will feature 400 state-of-the-art villas, each providing unparalleled comfort and privacy, with amenities designed to offer a quintessential luxury experience. Guests can look forward to world-class dining, a cutting-edge wellness center, and an array of recreational activities set against the backdrop of Zanzibar's stunning landscapes.

Speaking on the expansion, the President and Group CEO of ADCN, H.E. Mohammed Said Sultan Dhamija, shared his excitement: "Our expansion into Zanzibar is a milestone in Suntari's journey. We are thrilled to bring Suntari's unique brand of luxury and hospitality to this beautiful island. This project aligns with ADCN's vision of creating sustainable value and broadening our hospitality portfolio, reinforcing our position as a leader in the industry."

Suntari Zanzibar resort is set to open in 2026 and is expected to be a game-changer in luxury travel, offering an unparalleled holiday experience in one of the world's most exquisite destinations.
