Key Features of CleverGet Netflix Downloader

CleverGet Netflix Downloader offers a range of features designed to enhance the user experience and make video downloading effortless:

- **Offline Viewing:** Download series, movies and originals from Netflix for offline viewing, without any restrictions.
- **Batch Download:** Parse and download single Netflix TV episodes, entire season or even all seasons in batch.
- **Format Conversion:** Convert Netflix videos to MP4 or MKV formats for versatile usage.
- **High-Quality Downloads:** Download Netflix videos in up to 1080P resolution without any loss in quality.
- **Multi-Language Support:** Preserve multi-language audio tracks and subtitles, allowing users to choose their desired language.
- **Subtitles Management:** Users have the option to embed subtitles into the video or save them as independent SRT or SUP files.
- **Complete Metadata:** All necessary metadata information such as title, length, size, format, and more is saved along with the downloaded videos.
- **High-Speed Downloading:** Driven by advanced hardware acceleration technology, CleverGet Netflix Downloader can download Netflix videos 6 times faster.

How to Download Netflix Movies Using CleverGet Netflix Downloader?

CleverGet Netflix Downloader offers a user-friendly interface that simplifies the process of downloading movies and shows from Netflix. The following are detailed steps:

Step 1: Download and install CleverGet Netflix Downloader.

Step 2: Utilize the built-in browser to search for the target Netflix movie.

Step 3: Click the analyzing button to reveal all available download options, including different qualities, formats, frame rates, and sizes.

Step 4: Choose preferred option and click the “Download” button to download Netflix movies.

Step 5: Check downloading tasks and manage downloaded files in the “Library” sidebar.
