Continuously advancing his efforts, Dr. Fischer is an active member of the Christian Medical and Dental Associations, the American Osteopathic Association, and the American Academy of Family Physicians.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

When not engaged in the practice of medicine, Dr. Fischer takes pleasure in pursuing his hobbies, which include fishing, golfing, and cherishing quality time with his family. He finds his ideal vacation destination to be a warm and sunny locale.
