

Ecuadorian Rainforest Excels with 96 Point Score in NSF Supplier Audit, Certifying Continued Excellence

Company Cornerstones: Food Safety, Ingenuity, Trustworthiness, and Informed Perspectives

Clifton, New Jersey Nov 10, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Ecuadorian Rainforest](#), a top-tier wholesaler renowned for its natural ingredient offerings, has recently excelled in the NSF Supplier Assurance Audit receiving a score of 96. This highlights the company's commitment to upholding the highest standards in food safety and supply chain integrity.

The NSF Supplier Assurance Audit acknowledges Ecuadorian Rainforest's dedication to the guidelines and principles set forth by NSF in evaluating the company's products. This audit effectively demonstrates adherence to regulations and compliance with market requirements, assuring suppliers that Ecuadorian Rainforest is devoted to consumers' best interests. It fosters strong relationships and builds a deep layer of trust, as the company is well-known for its reliability in maintaining food safety standards.

Steve Siegel, Vice President of Ecuadorian Rainforest, emphasized, "Our commitment to delivering top-quality ingredients is at the core of everything we do. That 96 means everything to us as we continue to push ourselves. The NSF Statement of Commitment serves as a powerful statement of our team's dedication to maintaining the highest standards in food safety."

Ecuadorian Rainforest consistently earns high marks, and the NSF's Statement of Commitment solidifies its position as the go-to choice for quality ingredients.

About NSF

NSF, the National Sanitation Foundation, ensures food safety by setting and auditing rigorous standards. Having a large foundation in over 180 countries the expert auditors assess supplier facilities, confirming compliance with regulations and NSF guidelines.

About Ecuadorian Rainforest

Founded by Marlene Siegel in 1997, Ecuadorian Rainforest offers a wide range of natural and organic products, including botanical ingredients and materials used in various industries such as food, cosmetics, and supplements.
