

Enjoy Thanksgiving More Than Meal: Download Hulu Movies or Shows with CleverGet Hulu Downloader

CleverGet is promoting Hulu Downloader at a 50% discount during this Thanksgiving season, which is helpful for downloading episodes from Hulu without quality loss. More benefits are offered at this event.

Shenzhen, Guangdong Nov 20, 2023 (Issuewire.com) - With annual Thanksgiving right around the corner, customers worldwide can expect a mixed bag at the grocery store but can be thankful for a welcome break for holiday travel or a wonderful night to watch a funny show. During this [2023 Thanksgiving Promo](#), CleverGet is glad to provide many cost-saving products for entertainment until Dec. 15th. One of the best sellers is [Hulu Downloader](#), which is used to download episodes including movies and shows from Hulu. With this downloader, users can download Hulu video to MP4/MKV at up to 1080p resolution, and freely play the downloaded Hulu videos on mobile devices or players for offline enjoyment after a delicious turkey meal. Moreover, for people using different languages, it supports reserving multilingual subtitles and audio tracks with full media info as independent SRT/SUP files.

How to use CleverGet Hulu Downloader to download Hulu episodes?

It is easy to use this software after users have downloaded and installed it on the computer:

- Copy and paste the target video URL into the address bar, then log into a Hulu account within CleverGet.
- Play it back to let CleverGet parse the video URL. CleverGet will list the available video options according to the detected source for choice, including resolution, frame rates and sizes.
- Select the desired video and click the "Download" button below to start downloading videos. The downloading process and downloaded files can be checked at the right sidebar.

Are there any downloaders to download videos from other sites?

Actually, CleverGet Hulu Downloader is a built-in module within CleverGet, which has many modules

like [Video Downloader](#), [Netflix Downloader](#), [Twitch Downloader](#), etc. to download videos from YouTube, Ins, Netflix, OnlyFans, Crunchyroll, ESPN+, etc. more than 1000 sites. What's more, CleverGet supports recording any playable streaming video from almost all sites in the background.
