

# Free-Equal AI & Human Rights APP in Response to a Landmark Global Workplace Discrimination Case Based #pormatteo

In response to a recent global development in the fight against workplace discrimination based on sexual orientation, we invite you to be a part of a powerful movement for equality. Free-Equal.com is excited to announce the launch of "Free-Equal AI."

**Estado de Sao Paulo, Brazil Dec 14, 2023 ([Issuewire.com](https://www.issuewire.com))** - A groundbreaking initiative aimed at empowering individuals and eradicating discrimination in workplaces worldwide.

As highlighted in recent [SAIJ - L H d S C/ Genzyme de Argentina S.A.](#), the unjust termination of an expatriate employee at Genzyme de Argentina S.A., a subsidiary of Sanofi Group, due to their sexual orientation, underscores the urgent need to address workplace discrimination. This incident has inspired the development of Free-Equal AI, a solution that leverages cutting-edge technology and human rights expertise.

## #ForEquality – Be a Champion for Change

In solidarity with individuals like the one affected in Argentina; Free-Equal AI proudly incorporates the hashtag #ForEquality. This symbolizes our commitment to combating discrimination and supporting the pursuit of justice and equality.

We are calling on individuals, organizations, and investors who share our vision of a world without discrimination to join us. Your support can make a significant difference in promoting equality in workplaces globally. By aligning with Free-Equal AI, you become a champion for change.
