In Northern Virginia's real estate market, Ginger ensures clients' needs are not just met but exceeded, offering dedication, education, and perseverance.

New York City, New York Nov 18, 2023 ([Issuewire.com](https://www.issuewire.com)) - Ginger, a realtor associated with Weichert Realtors in Ashburn, has actively participated in the Northern Virginia real estate market since 1995.

With a robust history of over 550 completed transactions, Ginger finds delight in listing homes, marketing properties, negotiating contracts, and guiding individuals to find their dream homes, handling every aspect to secure a successful deal. Over the years, she has sold homes spanning from Stafford and Woodbridge to Winchester and Bryce, accumulating a wealth of knowledge and experience in navigating diverse transactional challenges.

Having lived in multiple states—Texas, Tennessee, Arizona, Ohio, Maryland, and Pennsylvania—before settling in Virginia, Ginger has experienced numerous relocations throughout her life. Her diverse background has equipped her to effectively represent a broad spectrum of clients, including buyers, sellers, landlords, and tenants.

While raising three sons in Northern Virginia, Ginger previously worked for the Fairfax County Public Health Department as a public school employee. Now, as a real estate agent, her expertise spans providing comprehensive guidance through real estate processes, skilled negotiation, and facilitating access to valuable resources and vendors.

Boasting multiple designations, Ginger is a Certified Residential Specialist (CRS), Accredited Staging Professional (ASP), Certified Luxury Home Market Specialist (CLHMS), Accredited Buyer's Representative (ABR), Senior Real Estate Specialist (SRES), and e-PRO.

Attributing her success to her role as an educator rather than a salesperson, Ginger prides herself on being a trusted guide for her clients. She ensures that they are well-informed and understand the complexities of real estate transactions.

Her exceptional performance has earned her accolades such as the NVAR Multi-Million Dollar Producer, the title of Washingtonian Top Agent in 2017, and induction into the Weichert Hall of Fame in 2003.

Beyond her professional life, Ginger indulges in hobbies such as gardening, painting, cooking, and traveling. Her explorations have taken her to diverse destinations including Mexico, Europe, Iceland, and the Caribbean islands. With one of her sons residing in St. Thomas, she frequents the island to savor its warmer climate.
