What Can Do with Video Downloader?

CleverGet is a powerful online video downloading program that can download videos from more than 1000 websites at 6 times higher download speeds. The CleverGet is so powerful that most online videos can be downloaded including free and paid service. Besides, the CleverGet has a built-in web browser that allows users to browse online Video downloads and playback. For example, there was no difficulty [downloading YouTube Music](#) or downloading videos from the [sites to download cartoon](#). In addition, it

provides some convenient downloading settings, users can set the maximum download task, and change the home page to any site they like. Before downloading, the Leawo Video Downloader provides detailed information about the downloaded video, such as the name, size, format, and resolution of the Video. If customers have downloaded the music video, they can make use of the [Leawo Video Converter](#) to convert the video to audio formats such as MP3.

Discount and Availability

CleverGet is currently offering a bundle discount of 92% off for all downloader modules. This means that customers can purchase the entire package for \$219.95, instead of the full price of \$3098.25. Additionally, individual downloader modules such as Video Downloader, Amazon Downloader, Netflix Downloader, HBO Downloader, and Hulu Downloader are available for 50% off on the top-seller page.

Both Windows and Mac versions are available on CleverGet's official website, where the free trial version is also downloadable. A free trial version available on the official website will dispel customers' concerns that the Video Downloader can work well before they decide to purchase it.
