

Highly Regarded Business Coach and Mentor Clive Enever Releases "Business Wisdom: Strategies for Success"

The Ultimate Guide for Entrepreneurs and Business Executives

Bendigo, Victoria Nov 5, 2023 ([IssueWire.com](https://www.issuewire.com)) - Clive Enever, a highly regarded business coach and mentor with over 30 years of experience mentoring small to medium-sized businesses around Australia, has released his latest book, "Business Wisdom: Strategies for Success" - a comprehensive guide for entrepreneurs and business executives looking to take their businesses to the next level.

As a business owner himself, Clive understands the thrills and the trials of having your own business and being the leader of a team – small or large.

He works with company owners and their teams to grow their businesses and achieve goals through his expert coaching and mentoring services. Specialising in sales, marketing, and business strategy, Clive tailors his proven methodologies and coaching approach to his clients' individual needs to deliver proven business results through tailored high impact mentoring.

"Business Wisdom: Strategies for Success" provides readers with insights and strategies based on Clive's wealth of knowledge and experience about what makes businesses successful.

The book covers essential topics such as business planning, customer engagement, leadership, time management, risk mitigation, and growth. Readers will find practical advice, tools, and exercises to help them achieve their business goals while staying aligned with their personal needs and aspirations.

Driven to see his clients improve their businesses through planning and productivity solutions, Clive partners with his clients to offer a tailored roadmap for current and future business success.

His friendly yet direct style makes him a valuable and approachable mentor and small business commentator. Clive works with businesses of all sizes to help them win more customers, increase profits, improve business planning and performance, develop staff, and achieve growth and diversity targets.

"Business Wisdom: Strategies for Success" is an essential read for anyone looking to succeed in the competitive world of business. Whether you're an entrepreneur starting out or an established business looking to take your business to the next level, Clive's book provides practical advice, tools, and exercises to help you achieve your business goals.
