

Jamaican Artist Teeardropz Drops New Video for Song "Dancing Mood" on Manatee Music Group Imprint

Teeardropz, the new poster child Global Dancehall and Reggae artist, with previously charted successful releases "Wake Up List", "Perfidia Love", as well as "Trodding", has released the Official Video to his Globally acclaimed Hit "Dancing Mood".

Chicago, Illinois Nov 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - Reggae and Dancehall music in London has played a pivotal role within the African and Caribbean communities throughout the country in impacting the retention of cultural music and community relationships. It has been over 23 years ago since the

inception of the Riddim Driven Album releases by powerhouse reggae label Greensleeves Records the main distributor of such music at Jet Star Music. The year 2000 was also impacting for Manatee Records with its release of "Virus" Riddim Album under **Greensleeves** imprint and a compilation of many of the top ranking artists during that year including, Capleton, Red Rat, Mr. Vegas, Elephant Man as well as new comers including Frassman, Major Samples and others on one of Greensleeves most impressive deposit of the Riddim Driven projects. Today, with the advancement of digital progress, **Manatee Records** is taking a leadership role with the maintenance and verification of Reggae as well as Afro Beat Music with the newly **Manatee Music Group**, established to continue the long tradition of producing and releasing hit songs between 1992 to today.

Teeardropz is one of the most exciting Reggae and Dancehall artist with many successful song releases including hit songs such as "Wake Up List", "Perfidia Love", "Trodding", and "Dancing Mood", a remake of the classic hit as well as "Nuh Chat" which is getting massive rotation on Jamaican radio stations as well as throughout North America and Europe. The visual component, to "Dancing Mood", was released and published on YouTube as well as the Vevo Channel the artist along with thousands of views on Tik Tok.

Fans are relating to the "Dancing Mood" visuals as it creates a sense of the happy and dancing atmospheres and scenes throughout the production of the video bringing back the mood that we all appreciate as fans of this powerful music and its connecting energy of people globally. **Teeardropz** is on his way to continue his trek on top of the music charts globally as his songs are now embedded in the programs at Irie-FM, Zip FM, and many Internet and commercial radio stations such as Hot 97 NY and Hot 93 CT.
