Meet our Expert Dentist, Dr. Zeinab Hasan!

Dr. Hasan started her career as a dentist at Baghdad University in 1998. This was the start of her unwavering dedication to the field. As she continued her education, she went to Sagar University in 2005 to get a Master's degree in Pediatric Dentistry. There, she learned all about how to provide specialized dental care for children. Her 2015 dental school trip to Canada was amazing. She is also a member of the RCDSO, ODA, and IADR.

Dr. Hasan prioritizes patient comfort and happiness in her general dentistry practice. She uses innovative methods to improve orthodontic care as a certified Invisalign dentist, giving patients more convenient and comfortable options for straighter teeth. Driven by a commitment to advanced methods, she strives to elevate the overall satisfaction and well-being of those under her care.
