

Michelle Y. Bruzzo, MD, PA, an Internist in Private Practice

Get to know Internist Dr. Michelle Y. Bruzzo, who serves patients in Boca Raton, Florida.

New York City, New York Nov 28, 2023 (IssueWire.com) - Dr. Bruzzo, a seasoned internist, embarked on her medical journey in September 1999, dedicating herself to the well-being of her patients. Over the years, she has evolved her practice, adopting a concierge model in 2011 to prioritize quality patient care through extended appointment times. Her inquisitive approach allows her to explore the root causes of illnesses, paving the way for effective treatment strategies.

Specializing in metabolic diseases and hormonal dysfunction, she addresses the fundamental issues underlying various internal medicine conditions. Her focus extends to critical health concerns such as diabetes, hypertension, and insulin resistance. By delving into the intricacies of metabolic and hormonal imbalances, she aims to provide comprehensive and personalized care to her patients.

Academically, Dr. Bruzzo obtained her medical degree from the Universidad De Montemorelos, Escuela De Medicina in Mexico in 1990. Upon relocating to the United States, she completed her internship and residency in internal medicine at the University of Florida Shands Hospital.

Not content with merely practicing medicine, she extends her knowledge and experience to the next generation of medical professionals. As an Associate Professor at the FAU School of Medicine, she actively engages with first and second-year medical students.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
