

Real Estate Manager Domenico Amicuzi participates in the GreenVesting Forum 2023 in Milan

Real estate manager Domenico Amicuzi participated in the GreenVesting Forum 2023, held at "Le Village by Crédit Agricole" in Milan on October 27.

Milan, Italy Nov 2, 2023 ([IssueWire.com](https://www.issuewire.com)) - The **GreenVesting Forum 2023** was a great success, thanks to the commitment and collaboration of numerous participants, including representatives of Renantis, IcoPower, Crédit Agricole, as well as the most important companies that raise funds through Ener2Crowd. The presence of prominent figures in the world of energy, university, and finance contributed to making the event a moment of great importance for the **green investment sector**.

In addition, the **GreenVesting Forum** also hosted personalities linked to climate activism, including actor Enrico Ballardini, protagonist of the series "*The Adventures of Councilor Cambiarotta*," funded by Ener2Crowd, and Michele Dotti.

This diversified participation made the event a meeting point of unique and complementary perspectives, highlighting the importance of a holistic **approach to sustainability**.

Domenico Amicuzi's contribution to the GreenVesting Forum 2023, as a member of the ethical committee of Ener2Crowd, testifies to his commitment and attention to **sustainability** and **green investments in Italy**.

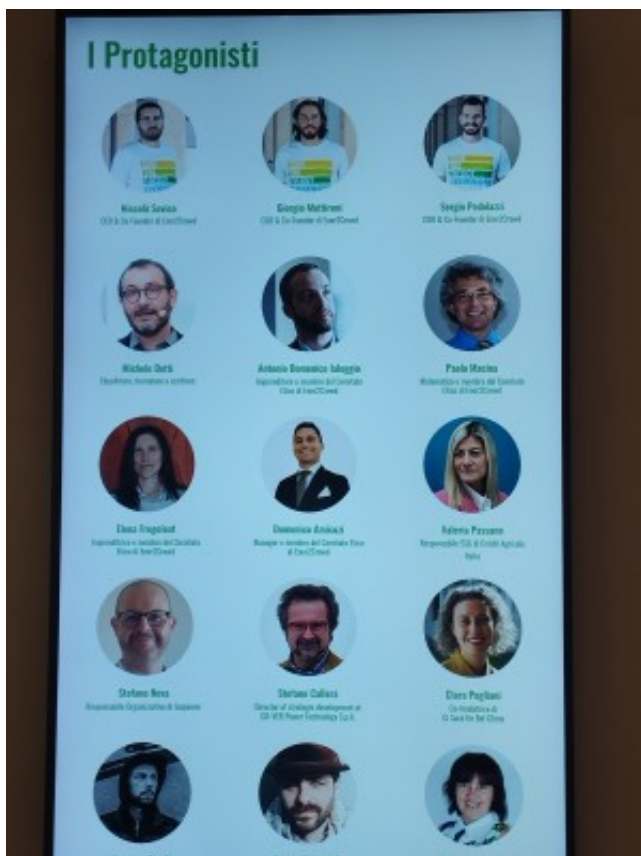

His participation in the event helped to highlight the impact balance sheet of Ener2Crowd, as a **benefit company**, underlining the importance of this platform and app in the panorama of green investments in Italy.
