

“Rebekka” by R.S. Buie Takes Readers into a Journey Beyond Time

R . S . B U I E

REBEKKA

San Francisco, California Nov 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - Prepare to embark on a journey like no other as author R.S. Buie unveils a gripping dystopian tale that transcends time and reality in [“Rebekka.”](#) Set in a future plagued by colossal condors and enigmatic human-like creatures, this extraordinary novel explores the consequences of human experimentation, revenge, and the indomitable power of supernatural abilities.

Rebekka Von Schmidt, the gifted daughter of the notorious Count Vladimir Von Schmidt, a scientist who delved into the realms of black magic and unethical genetic experiments, emerges as the enigmatic protagonist of this gripping narrative.

Rebekka’s journey unfolds against the backdrop of a fateful discovery—her father’s malevolent agenda, resulting in a horrifying twist of fate. Her courageous act to end his wicked deeds takes her through an unexpected portal, stranding her in a future teeming with perils and enigmas. The weight of her father’s promise to marry her off to the sinister son of a Russian prince hangs heavy, setting the stage for a gripping fate of revenge, resilience, and redemption.

What sets “Rebekka” apart from other works in the same genre is its mesmerizing blend of science fiction, fantasy, and adventure. R.S. Buie crafts a world where magic and science converge, offering readers a unique perspective on the unintended consequences of human experimentation. This innovative narrative leaves no room for predictability, keeping readers on the edge of their seats as they traverse this mesmerizing, unpredictable landscape.

At the heart of “Rebekka” are the unbreakable bonds of friendship. Rebekka’s loyal childhood friends rally to her side, determined to shield her from the forces of evil threatening the world. Together, they embark on a quest to unveil the truth, confront a distressing past, and harness Rebekka’s supernatural gifts to combat the malevolence that threatens to consume the world.

Author R.S. Buie, a retired civil servant with a passion for exploring new places and solving mysteries, brings her extensive life experiences to the forefront in this compelling narrative. She resides in Ohio, where she is now dedicating her time to writing full-time, creating worlds and characters that enthrall readers and ignite their imaginations.

As we peer into the future of literature, “Rebekka” emerges as a role model for imaginative storytelling, offering readers an electrifying escape into a world that defies boundaries and expectations.
