About Salty Vixen Stories founder, (<u>saltyvixenstories.com</u>) I founded Salty Vixen brand, 18 June 2004, when I was sexually assaulted on a polo field on England at a polo club where I was a non playing member. It happened at 10:45PM, that was when I first used "Vixen in a Salty Situation", later I got married and marriage was abusive. When I became a strong woman, I had enough and turned Vixen in a Salty Situation to Salty Vixen. Salty Vixen means love and kindness. I create this digital magazine for a safe place to learn, read and have fun!
