

# Unlock Early Access to Magicycle Ebike Black Friday Deals with Low Price Guarantee

Magicycle kicks off its early Black Friday extravaganza today. Brace yourself for some of the most enticing deals of the year, starting at a jaw-dropping \$599.

**Ontario, California Nov 14, 2023 ([Issuewire.com](https://www.issuewire.com))** - Magicycle kicks off its early Black Friday extravaganza today, unleashing a wave of discounts across its entire line of electric bikes. Brace yourself for some of the most enticing deals of the year, starting at a jaw-dropping \$599.

## Magicycle Ebike Black Friday Deals

As we delve into the realm of early Black Friday deals this week, Magicycle gracefully steps into the conversation. It has won hearts with its diverse array of electric bikes for adults, and the excitement magnifies as savings unfold across every single model. This collection spans various shapes and sizes, promising savings of up to a staggering \$1,100 across the entire lineup.

For those navigating the cautious waters of discount decisions amidst the upcoming Thanksgiving Week festivities, Magicycle extends a comforting hand with its low price guarantee. Valid until December 31, the company pledges to refund the difference if any ebike experiences a further price drop later in the holiday season.

Curious about the offerings? Explore the comprehensive sale catalog over at Magicycle Ebikes for a detailed breakdown of which ebikes are in the spotlight and the corresponding savings. But for those eager to cut to the chase, **our personal favorites are thoughtfully outlined below for your convenience.** Dive into the joy of early Black Friday savings with Magicycle!

## Magicycle Fat Tire Ebikes Lineup

Here let's take a look at those amazing Magicycle Electric Bikes for Adults, and you will see why it has the best black friday ebike deals:

### Magicycle Cruiser Pro

As one of the most classic models from Magicycle, the Cruiser Pro is running like a monster with a 52V 20Ah battery and a 1000W peak-power motor. The advanced ebike technology used to manufacture the bike and the other components, like hydraulic disc brakes, make sure riders on this bike can get the smoothest bike rides.

### Magicycle Ocelot Pro

The ebike is for riders of all heights. Equipped with a 52V 20Ah battery, this bike is able to reach a range of 60 - 80 miles. The step-thru frame design has made it one of the bestsellers among Magicycle ebikes.

### Magicycle Ebike SUV

The recently released full suspension ebike from Magicycle. It is an ebike SUV, which combines features of many other ebike models, like cargo ebikes, off-road ebikes, etc. It is loaded with a 52V 20Ah battery, an 1100W peak-power motor, and a full suspension system. The ebike SUV is a great fit for recreational riders who dream of taking a long trip on an ebike.
