Melbourne, Victoria Nov 18, 2023 ([Issuewire.com](https://www.issuewire.com)) - Developer-Renovator Network proudly presents a one-of-a-kind [property networking event](#), offering attendees a golden opportunity to have their burning questions answered by renowned industry experts. The event is scheduled for Thursday,

November 30, 2023, from 6:30 PM to 9:00 PM AEST at the prestigious Lord Stanley Hotel in East Brisbane.

The evening promises a deep dive into the intricacies of property planning, subdivision, and development processes. Attendees will be able to pick the brains of leading experts in the field, namely Rhett Bowlen, Director of Bespoke P&D; Braden Corfield, General Manager of Sonto Surveyors; and Adrian Rodgers, Project Manager for Empower Engineers & Project Managers.

This event is not just about theories and concepts; it's a practical opportunity to ask anything you've ever wanted to know about the property development landscape. Whether you're a seasoned developer or just taking your first steps in the industry, this networking event is designed to provide valuable insights.

Highlighting the evening will be an illuminating case study of a real subdivision deal. Witness firsthand how significant profits can be generated from a seemingly straightforward one-into-two lot subdivision. The case study will cover the entire process — from the discovery of the deal to its meticulous assembly and successful completion.
