

VG Global Holdings Announce Opening of New Office in Taiwan

VG Global Holdings are pleased to announce that they have established a new satellite office in Taipei, Taiwan.

Tainan Hsien, Taiwan Dec 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - VG Global Holdings, the wealth management specialists previously headquartered in Japan, are pleased to announce that they have established a new satellite office in Taipei, Taiwan, as part of the company's commitment to expansion and advancement.

VG Global Holding's Research and Analysis division has been located in its Taiwan base for a number of years, and the company has now decided to relocate its Investment Services team to the Taipei hub and merge the two divisions together, in order to further strengthen and improve the support that the R&A team provides to the Investment Division.

The launch of a new satellite office will also avail new investment opportunities on an institutional level, as well as consolidate the company's presence in the region, as it looks to widen its client base in order to continue to progress and expand. VG Global Holding's CEO Greg Aitken has personally overseen the launch of the new offices and will remain in Taipei, along with several of the company's executives.

VG Global Holding's CEO Greg Aitken said, "It gives me great pleasure to oversee the launch of our new satellite office in a country where we have had an increasing presence in. I look forward to establishing new relationships and opening up new opportunities to work with new institutional partners."
