

Willie A. Pennick, MD, a Family Physician with Ascension Medical Group St. Vincent's Primary Care

Get to know Family Physician Dr. Willie A. Pennick, who serves patients in Jacksonville, Florida.

New York City, New York Nov 14, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Pennick is a trusted family physician

with Ascension Medical Group St. Vincent's Primary Care in Jacksonville, Florida. He also holds affiliations with both Ascension St. Vincent's Riverside Hospital and Ascension St. Vincent's Southside Hospital.

Placing a strong emphasis on patient-centered care, Dr. Pennick actively listens to patients to comprehend their health concerns. His practice encompasses primary care for minor illnesses and injuries, preventive health screenings, routine check-ups, and vaccinations.

Taking the time to familiarize himself with patients and their family's health history, Dr. Pennick collaborates with them to develop personalized care plans for their long-term health needs. His commitment extends to helping individuals maintain optimal health through preventive care, early detection of health concerns, and effective management of chronic conditions.

In regards to his educational background, Dr. Pennick graduated with his Bachelor of Science Degree in Pharmacy from Florida A&M University in 1981. He then went on to earn his Medical Degree from the University of Florida College of Medicine in 1985.

Furthering his training, he performed his internship and residency in family medicine at the Medical Center of Central Georgia.

Dedicated to excellence, the doctor is board certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
