and <https://avclabs.com/purchase.html>

Christmas Sale Details:

- Diverse Offerings and Subscription Plans

AVCLabs' Christmas sale offers a comprehensive selection of their best-selling AI programs and

subscription plans, catering to diverse user needs and preferences. Individual products can be purchased for targeted needs, while bundles offer greater discounts for those seeking more comprehensive solutions. Additionally, both annual and lifetime subscriptions are available at special rates, providing flexibility and affordability for short-term and long-term users alike.

- Special Discounts on AI Solutions

AVCLabs Video Enhancer AI: One of the best-selling AI programs designed to fix video quality-related issues, including enhancing low-resolution video footage to high definition (2K, 4K, and 8K) with AI technology, recovering face details from blurry scenes with AI face enhancement and colorize black and white videos to restore old videos and make them revive again.

Available for Windows and Mac.

Original Price: \$299.9/Lifetime, \$119.95/Yearly

Sale Price: \$199.9/Lifetime, \$89.95/Yearly (Save up to \$100)

AVCLabs Video Blur AI: Automatically blur everything in motion with one click, no keyframing or manual control is needed. Auto-detect and track faces, backgrounds, and license plates. Ideal for protecting privacy and redacting sensitive information.

Available for Windows and Mac.

Original Price: \$159.9/Lifetime, \$69.95/Yearly

Sale Price: \$99.9/Lifetime, \$49.95/Yearly (Save up to \$60)

AVCLabs Photo Enhancer AI: Classical AI photo enhancement tool of AVCLabs, which can upscale photo resolution, enhance faces, colorize black and white photos, reduce noise, and adjust color.

Available for Windows and Mac.

Original Price: \$159.90/Lifetime, \$79.95/Yearly

Sale Price: \$99.9/Lifetime, \$59.95/Yearly (Save up to \$60)

AVCLabs PhotoPro AI: A relatively new AI photo editor with features like object removal, background replacement, photo enhancement, upscaling, colorization, color adjustment, and stylized change, aiming to streamline complex image editing tasks with powerful AI tools.

Available for Windows and Mac.

Original Price: \$169.9/Lifetime, \$89.95/Yearly

Sale Price: \$99.9/Lifetime, \$69.95/Yearly (Save up to \$70)

AI Bundle

AVCLabs AI Bundle includes two classical enhancement tools: AVCLabs Video Enhancer AI and

AVCLabs Photo Enhancer AI, providing a complete solution for professional photo and video editing.

Original Price: \$396.9/Lifetime, \$159.95/Yearly

Sale Price: \$269.9/Lifetime, \$119.95/Yearly (Save up to \$100)

These software solutions cater to the needs of content creators, professional photographers, and individuals seeking to enhance their video and photo quality, offering an opportunity to leverage AVCLabs' advanced AI technology at an exceptional price point. But this is a limited-time sale until January 11, 2024, so grab your chance if you are into any of these tools.
