

Brian E. Parker, Recognized by BestAgents.us as a 2023 Top Agent

A trusted advisor, practiced negotiator, skilled house-hunte, and neighborhood expert, Brian delivers a joyful, seamless experience at every phase of the home buying or selling journey.

New York City, New York Dec 19, 2023 ([IssueWire.com](https://www.issuewire.com)) - Brian is a realtor affiliated with Cabell Childress Group/Long & Foster Real Estate in Richmond, Virginia. He aids home sellers in preparing their properties for sale, as well as excels in assisting buyers to evaluate and visualize themselves in potential homes in both practical and emotional terms.

After a notable career in the US Air Force and two decades in Wealth Management Legal/Compliance, Brian made the move from California to Virginia, where his father's family is from. Since his relocation, he has swiftly risen as a highly accomplished real estate agent, skillfully guiding numerous families through the intricacies of property transactions.

Due to his professional and military background, Brian has a deep sense of ethics and service to others. Not only is he a patient counselor through the processes of purchasing or selling, but he has become well-versed in the strategies that enable him to extract the greatest value from properties for his clients. At the same time, these strategies aim to safeguard clients' interests through purchase and during sale negotiations.

In his initial 6 months in real estate, Brian achieved notable success. He sold 15 homes, worked on finding the right fit for a new team, and found himself with Cabell Childress Group. Recently, he celebrated a career milestone by successfully closing a sale on a \$1.85 million residence!

Above all, Brian attributes his success to his genuine care for clients, the support of the right team, and a profound sense of responsibility to those he serves. His affection for California is evident, as he actively pursues re-licensing in that area with the intention of returning.

Throughout the years, Brian has explored the world, leveraging his keen eye for design to support artists and amass a collection of antiques. Following a period of indulging in fine cuisines, wines, and liquors from various corners of the globe, he now prioritizes fitness and cleaner eating. This shift allows him to maintain an active and healthy lifestyle.
