New York City, New York Dec 19, 2023 ([IssueWire.com](https://www.issuewire.com)) - Britni currently serves as a realtor at LIME Realty in Oklahoma City, Oklahoma. Her knowledge base spans various areas, encompassing expertise in first-time home buyers, luxury homes, new construction, and senior communities.

Initially beginning her career as a referral agent, Britni has now amassed over 7 years of valuable experience. Her husband is also involved in the real estate sector, specializing in commercial development and construction. Together, they form The Nelson Home Team, which has grown to include three new agents and continues to expand.

The Nelson Home Team enhances property visibility by offering a 3D tour of homes and utilizing premier Zillow listing hacks to ensure exposure to a wide audience of potential buyers. This comprehensive approach guarantees that each property receives the maximum exposure it deserves, with an impressive average of just 6 days on the market.

Britni credits her success to the unwavering support of her parents and the encouragement and assistance from her husband. What she finds most rewarding about real estate is the satisfaction of successfully selling a home and making people's dreams come true.
