David R. Dobies, MD, FACC, an Interventional Cardiologist with National Park Medical Center

Get to know Interventional Cardiologist Dr. David R. Dobies, who serves patients in Hot Springs, Arkansas.

New York City, New York Dec 26, 2023 (Issuewire.com**)** - Dr. David R. Dobies is a highly skilled interventional cardiologist who has been practicing in the medical field for over two decades. He is

currently affiliated with National Park Medical Center in Hot Springs, Arkansas, where he provides quality healthcare to his patients. Dr. Dobies is also a member of Hot Springs Cardiology Associates & Hot Springs Cardiology Associates - Mena Satellite.

Dr. Dobies has an impressive educational background. He received his medical degree from the Michigan State University College of Human Medicine in 1992. He then completed his internship with Community Health Network, Inc., his residency in internal medicine at Indiana University School of Medicine, and his fellowship in cardiovascular disease at Beaumont Hospital, Royal Oak. He furthered his training by completing an additional fellowship in interventional cardiology at Allegheny General Hospital. Dr. Dobies has also completed Essential Medical Statistics and Executive Leadership Courses at the University of Oxford.

Dr. Dobies is board-certified in cardiovascular disease and internal medicine, and he is a Diplomate of the American Board of Internal Medicine (ABIM). He is a member of several professional organizations, including the Royal Society of Medicine, the European Society of Cardiology, the Royal Statistical Society, the American Medical Association, the Michigan State Medical Society, the Genesee County Medical Society, and the Arkansas State Medical Society. Dr. Dobies is also a Fellow of the American College of Cardiology (FACC).

As an interventional cardiologist, Dr. Dobies specializes in the catheter-based treatment of structural heart diseases. He is trained to place stents in clogged arteries to allow blood to flow properly and reduce the risk of stroke or heart attack. Dr. Dobies can also repair holes in the heart or place special devices in the heart to help it function properly.

Dr. Dobies has participated in several medical trials, has been a presenter at national and international medical conferences, and has numerous publications. He is dedicated to providing his patients with the best possible care and is committed to staying up-to-date with the latest advancements in his field.

In conclusion, Dr. David R. Dobies is an accomplished interventional cardiologist with an impressive educational background and extensive experience in private practice and hospital-employed environments. He is committed to providing his patients with quality healthcare and is dedicated to staying up-to-date with the latest advancements in his field. Dr. Dobies is a valuable asset to the medical community and is highly respected by his colleagues and patients alike.
