

DienstNet LLC Announces the Launch of "The Coming Economic Revolution"—A Groundbreaking Book on Bitcoin and Cryptonomics

THE COMING ECONOMIC REVOLUTION

By Donald D Dlenst

Mount Olive, New Jersey Dec 8, 2023 ([IssueWire.com](https://www.issuewire.com)) - DienstNet LLC proudly announces the release of its latest publication, "The Coming Economic Revolution," a comprehensive exploration of the transformative role of Bitcoin and the concept of cryptonomics in the modern financial landscape. The book is now available for purchase on Amazon and Lulu.com.

In celebration of this launch, DienstNet LLC is offering an exclusive Book Launch Sale. Readers can enjoy a discount of \$7 off the Manufacturer's Suggested Retail Price (MSRP) on all formats of the book available on Amazon.com from now until January 13, 2024. This offer makes it an opportune time for readers to delve into the compelling world of digital currencies and their economic transformation.

"The Coming Economic Revolution" is more than just a discussion on digital currencies; it is an insightful journey through the evolution of economic models, challenging traditional financial systems and presenting a digital, decentralized future. The book offers a critical examination of historical economic crises, the evolution of money, and the significant role Bitcoin plays in the current economic discourse.

Available in Hardcover, Softcover, and eBook formats on Amazon and in Hardcover and Softcover on Lulu.com, the book caters to diverse reader preferences. While the Amazon sale extends until January 13, 2024, Lulu.com will also feature special sale prices from December 22, 2023, to January 13, 2024, due to platform limitations. Also by special order through your local bookseller.

"This book is a must-read for anyone looking to understand the future of money and finance," said a spokesperson for DienstNet LLC. "It's not just for financial experts or technology enthusiasts. We've made complex topics like blockchain technology accessible to all, making this book a valuable resource for a wide audience."

"The Coming Economic Revolution" encourages readers to rethink their perception of money, engage in the evolving financial landscape, and consider the broader implications of this shift. It is an essential read for those eager to be part of the new economic era defined by cryptonomics.
