Welcome to the world of Sowpeace, where ancient artforms and modern design come together to create unique handmade home decor and canvas wall paintings.

Sowpeace was born out of a passionate ambition to create a level playing field for Indian artisans in the highly competitive home and decor market. While the recent wave of art may have monopolized the industry, we are here to remind the world of the incredible potential that our artisans carry. Each artifact they create reflects not just their skill but also embodies the essence of our culture.

What sets Sowpeace apart?

At Sowpeace, we believe in the power of handmade products. Each piece in our collection is carefully crafted by skilled artisans who have honed their craft over generations. We work closely with these artisans to preserve ancient artforms such as [dhokra brass decor](#), [terracotta decor](#), and [wooden decor](#). By supporting these artisans, we not only help keep these artforms alive but also provide them with a sustainable livelihood.

In addition to our handmade decor, we have also collaborated with talented designers to create stunning

canvas wall prints. These prints are made using the highest quality materials to ensure vibrant colors and long-lasting beauty. Whether you're looking for a statement piece for your living room or a serene landscape for your bedroom, our canvas wall prints are sure to impress.

Bringing the essence of India to your home

India is a land of rich cultural heritage and diverse artforms. At Sowpeace, we aim to capture the essence of India in our products. From intricate brass figurines to vibrant terracotta wall decor, each piece tells a story and reflects the beauty of Indian craftsmanship.

Our terracotta wall decor is inspired by ancient Indian temples and showcases intricate carvings and motifs. These pieces add a touch of elegance and spirituality to any space. Whether you hang them in your living room or place them in your garden, they are sure to be a conversation starter.
