

Eyeweb Offers Unbeatable New Year Sale On Armourx Safety Frames To Upgrade Vision

Raleigh, North Carolina Dec 22, 2023 ([Issuewire.com](https://www.issuewire.com)) - An exciting announcement has been made by Eyeweb, a top online seller of prescription eyewear and safety glasses, regarding their special New Year's Sale on Armourx safety frames. People have the ideal chance to invest in premium, ANSI-certified safety eyewear at discounted pricing with this limited-time promotion.

A variety of Armourx Safety Frames are available during the New Year Sale, including the well-liked Armourx 6008 and Armourx 6010 variants. For those who greatest need it, these safety glasses combine elegance and protection by being made to the highest industrial standards.

With features including 100% UV blocking, removable side shields, and ANSI Z87.2 safety certification, the Armourx Safety Frames are the best option for improving vision without sacrificing safety.

Every frame complies with CSA 294.3 and ANSI Z87.1 standards in various styles such as:

- Basic
- Metro
- Wrap-RX
- Classic
- Titanium

Apart from lenses, Armourx frames are available for sale. Customers can buy progressive, trifocal, bifocal, and single-vision lenses with high-quality Armourx safety frames.

Eyeweb is excited to start the New Year with exclusive sales, giving a chance to the consumers to purchase top-of-the-line safety frames at unbeatable prices.

A person who is concerned about safety should choose the Armourx Safety Frames because of their reputation for excellence, dependability, and top-of-the-safety requirements.
