Sprightly beats and high-spirited composition mixed with dynamic vocals, 'Push Comes 2 Shove' has all of this to offer. Listen to Sophie Summers' new single.

Los Angeles, California Dec 7, 2023 ([Issuewire.com](https://www.issuewire.com)) - Performing in the genre of pop music has given many artists intangible reputation, fame, and popularity in the industry. When the vibrancy of the genre is mixed with emotional and intimate feelings, it then makes this attempt even greater and [Sophie Summers](#) did just that with her new musical piece. The artist is known for her great vocals and unique

ways of expressing herself through her compositions and now with the new single, she is making headlines everywhere. The newly released single '[Push Comes 2 Shove](#)' is a tale of emotions, heartbreak, and vulnerability that the artist expressed beautifully, with utmost honesty which might make this the most streamed track on her discography.

The single is a poignant reflection of the artist's past relationship which was filled with toxicity and narcissism. In the song Summers gracefully navigates through her emotions, illustrations of love that she witnessed in her past relationship. The realization of her partner being in love with himself more than he was with her was painful and that is exactly what fueled this masterpiece that might be the biggest single of her life. '**Push Comes 2 Shove**' has everything that a listener, a pop music lover would be looking for in their playlists; the single is enriched in emotions, amazing, raw vocals, and emotive lyrics that make the composition incomparable.

With her incredible talent, **Sophie Summers** proved to be unrivaled in the industry when it comes to originality and soulful singing. Hailing from Los Angeles, singer-songwriter Sophie will soon release an album, and releasing this single was the first step in introducing it to the world. The upcoming album will also be centered on a toxic twin flame relationship that will explore the agonizing journey of love, heartbreak, and self-discovery.
