His mission is to help each patient achieve optimum wellness and freedom in health through proper care, all while prioritizing non-surgical approaches.

With a diverse patient base spanning from newborns to seniors, Dr. Losagio is recognized for employing widely adopted chiropractic adjustment techniques, including Gonstead, Diversified, Proadjuster Computerized Adjusting, Extremity Adjusting, and Animal (Veterinarian) Adjusting Techniques.

In addition, Dr. Losagio incorporates some of the most widely used therapeutic modalities in the nation, such as non-surgical spinal decompression, cold laser, electrical muscle stimulation, Russian stimulation, interferential therapy, Neurogenix, and Neuro Med an electrical nerve block.

Commencing his chiropractic journey at Ramapo College of New Jersey for pre-med studies, Dr. Losagio continued his education at Life University School of Chiropractic, graduating in the top 10 percent of his class with honors (Cum Laude) in December of 1988. Furthering his expertise, he completed 300 hours (3 years) of post-graduate training in chiropractic neurology through the Los Angeles College of Chiropractic and the International Academy of Chiropractic Neurology.

After successfully passing a rigorous board examination, Dr. Losagio earned the credential of Diplomate of the International Board of Chiropractic Neurology (DIBCN) from the International Academy of Chiropractic Neurology in October 1997. Simultaneously, he pursued a 300-hour (3 years) program in forensics through the American Board of Forensic Examiners, obtaining the credential of Diplomate of the American Board of Forensic Examiners (DIBFE) in September 1997.

In November 2015, Dr. Losagio achieved the highest credential in chiropractic neurology and medicine, being granted a Fellowship by the International Academy of Chiropractic Neurology. He proudly holds the distinction of being the first chiropractor/chiropractic neurologist in the Lehigh Valley to attain this esteemed credential designation (FIACN).

Nationally certified in non-surgical spinal decompression through Parker University and by the International Medical Advisory Board for spinal decompression, Dr. Losagio is at the forefront of cutting-edge chiropractic practices. Additionally, he is an Associate Member of the Professional Football Chiropractic Society (NFL) through the Professional Football Chiropractic Society.

Leveraging his extensive experience, Dr. Losagio specializes in providing personalized care for patients dealing with cervical (neck) and lumbar (lower back) disc bulge/herniations, spinal stenosis, neuropathy, degenerative changes to the disc and vertebrae, whiplash, and sprain/strain. He remains current and informed about advancements in chiropractic and the application of various treatments and therapies for the benefit of his patients.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain, back pain, headaches, vertigo and a long list of other ailments and conditions. They aim to

improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself naturally, without the use of medication or surgery.
