Get to know Pediatrician Dr. New Sang, who serves patients in Fresno, California.

New York City, New York Dec 15, 2023 ([IssueWire.com](https://www.issuewire.com)) - A seasoned pediatrician, Dr. Sang is the CEO and President of Sang Pediatrics, with three offices in Fresno, California.

As a pediatric primary care office, Sang Pediatrics strives to provide an accessible medical home for their patients, where they can obtain smart, professional, and welcoming care for their families. Their priority is to give comprehensive, efficient, and coordinated service that is focused on quality and safety. They believe in good communication with their families, so that they can take part in the decision making affecting the care of their loved ones.

The eldest son of Dr. Orathai Sangrujiveth, Dr. Sang graduated from Clovis West High School, before embarking on an academic journey that took him to renowned institutions such as UCLA and the Royal College of Surgeons in Ireland. After honing his skills and acquiring invaluable knowledge, he completed his training in the serene landscapes of Honolulu, Hawaii. His professional journey then led him to Kauai, where he spent five years contributing to the healthcare landscape.

During his tenure on Kauai, he played a pivotal role in a high-volume outpatient clinic, displaying his proficiency in handling a diverse array of medical cases. His expertise extended to attending high-risk deliveries, showcasing a commitment to maternal and child health. Additionally, he took on the responsibility of covering the ER during on-call shifts.

Recognized as a Fellow of the American Academy of Pediatrics (FAAP), the doctor attained board certification in pediatrics through the American Board of Pediatrics (ABP). The mission of the ABP is to advance child health by certifying pediatricians who meet standards of excellence and are committed to continuous learning and improvement.

Beyond his work at Sang Pediatrics, Dr. Sang has worked part-time in the NICU at the Community Regional Medical Center-Fresno.. His leadership qualities have been acknowledged through his two terms as the Chair of the Department of Pediatrics at Community Regional Medical Center from 2016 to 2020. He was also the driving force behind the donation to improve postpartum facilities at CRMC-Fresno and Clovis Community Hospitals, and as a result, the units were named the Sang Family Postpartum and Newborn Care.

A lover of the outdoors, sports, and technology, Dr. Sang finds joy in a diverse range of activities. Whether immersed in a good book, creating culinary delights in the kitchen, or enjoying the company of his three dogs during leisurely walks, he balances the demands of his profession with a vibrant personal life. His commitment to family is evident in his shared adventures, traveling alongside his wife and three daughters.
