New York City, New York Dec 6, 2023 ([Issuewire.com](https://www.issuewire.com)) - Renée stands as a highly sought-after Real Estate Advisor in South Florida, boasting over three decades of experience in both the Miami real estate and corporate law realms.

As the founding partner of RMG Acquisitions, LLC, an elite real estate investment firm headquartered in Miami, Renée specializes in the sale of residential and commercial properties, addressing diverse real estate needs across South Florida's market.

Having graduated from Florida International University, Renée excelled as the most profitable senior analyst at Greenberg Traurig, Miami's largest international law firm. There, she refined her real estate negotiation expertise while working on high-stakes litigation cases and corporate affairs for Fortune 500 clients.

Leveraging her comprehensive background in real estate, spanning from brokerage and marketing to sales and development, Renée assists her clients in creating and reimagining one-of-a-kind properties in some of South Florida's most significant and sought-after locations. Beyond overseeing multi-million dollar residential sales, her recent ventures encompass cutting-edge transactions, such as aiding medical marijuana treatment centers in securing approved dispensary locations, handling restaurant and franchise leasing, and assisting investors in acquiring multi-family buildings within areas designated for short-term rentals.

Renée's clientele is quite varied and includes affluent families from around the world, C-suite executives, investment bankers, doctors, law firm partners, management consultants, entrepreneurs and entertainers. She has a reputation for being a good closer, as well as for being an extremely tenacious and creative negotiator on difficult deals.

Having called Miami home for over four decades, Renée possesses an unparalleled familiarity and innate understanding of the exclusive neighborhoods in the city. Her childhood was marked by a charming Art Deco residence in Surfside, followed by a period in a stylish Mid-Century Modern condominium in Miami Beach, and she currently resides in Bal Harbour.

Solidifying her status as a respected figure in her field, Renée curates unique real estate experiences that combine the technical side of real estate seamlessly with the personal and deeply artistic side. She introduces clients to properties of architectural significance and flair that also serve as lucrative investment opportunities in the market.
