

Rohan V. Menon, MD, a Pediatrician with Forest Lane Pediatrics

Get to know Pediatrician Dr. Rohan V. Menon, who serves patients throughout the State of Texas.

New York City, New York Dec 20, 2023 ([Issuewire.com](https://www.issuewire.com)) - An established pediatrician, Dr. Menon provides highly personalized care for families throughout the Dallas and Frisco area at Forest Lane Pediatrics, which he joined in 2019.

From guiding parents through the exciting newborn and infancy period, all the way to helping children and adolescents navigate the trials of growing up, Dr. Menon enjoys every facet of the journey, ultimately providing children with an instrumental role in their healthcare as they develop their autonomy. He loves having families rely on him for support as their children grow and develop, establishing their own unique perspectives on the world.

Having grown up in Plano, Dr. Menon graduated with Highest Honors from the Georgia Institute of Technology, receiving a Bachelor of Science Degree in Biomedical Engineering. He then went on to earn his Medical Degree from UT Southwestern in Dallas in 2016.

Furthering his training, Dr. Menon completed his residency in pediatrics at Children's Medical Center Dallas. During this period, he received the "White Hat Award", for which his colleagues selected him as the pediatrician to whom they would take their own children.

Board certified in pediatrics, Dr. Menon is recognized as a Diplomate of the American Board of Pediatrics (ABP). The mission of the ABP is to advance child health by certifying pediatricians who meet standards of excellence and are committed to continuous learning and improvement.

Licensed to practice medicine in Texas, Dr. Menon is affiliated with Baylor Medical Center at Frisco, Baylor Centennial Frisco, THR Hospital of Frisco, and Medical City Frisco.

Among his professional affiliations, he is an active member of the American Medical Association, the Texas Medical Association, and the Pediatric Society of Greater Dallas.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. The American Academy of Pediatrics recommends individuals be under pediatric care up to the age of 21. Pediatricians provide medical care to people ranging in age from newborns to young adults. They are trained to examine, diagnose, and treat children with a wide variety of injuries and illnesses through all of their developmental stages, as they grow and mature.

Residing in Las Colinas, Dr. Menon loves to explore the DFW restaurant scene, catch up on the latest movies and TV shows, cheer on the Dallas Mavericks and Dallas Cowboys, dance to Bollywood music, travel, as well as spend time with his wife and family.
