

Ronald M. Block, MD, an Internist with Crozer Health

Get to know Internist Dr. Ronald M. Block, who serves patients in Springfield, Pennsylvania.

New York City, New York Dec 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Block is a distinguished healthcare professional specializing in Primary Care and Internal Medicine, with a unique approach to patient care that prioritizes time, attentiveness, and comprehensive coordination. With a commitment to personalized attention, he dedicates as much as 45 minutes to follow-up visits, ensuring that no patient feels rushed under his care.

In addition to his expertise, he offers specialized procedures in aesthetics, including Botox and Dermal Fillers. This comprehensive approach underscores his dedication to addressing both the health and aesthetic concerns of his patients.

Before embarking on his professional journey, Dr. Block's extensive educational background is rooted in the American University of the Caribbean School of Medicine in Plymouth, Montserrat, where he earned his degree in 1981. Subsequently, he pursued residency programs at the American University in the British West Indies and Franklin Square Hospital in Baltimore, MD. His exceptional skills were further recognized as he assumed the role of Chief Medical Resident at Franklin Square, Good Samaritan, and Johns Hopkins hospitals.

In pursuit of clinical excellence, the doctor is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

In his professional experience, Dr. Block has admitting privileges at esteemed institutions such as Crozer-Chester Medical Center, Springfield Hospital, and Taylor Hospital, and he ensures that his patients have access to top-tier medical facilities when needed.

As for his academic appointment, he actively engages in teaching and training, holding positions as a Certified Suboxone treatment provider. His dedication to combating opioid addiction is evident in his role as an advocate for Reckitt Benkiser, where he imparts knowledge and skills to fellow physicians in the proper use of Suboxone for opiate addiction.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in Internal Medicine are called Internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
