

Shabana Abdulqadir, FNP, a Family Nurse Practitioner with Mercy Medical Center Merced

Get to know Family Nurse Practitioner, Shabana Abdulqadir, who serves patients in Merced, California.

New York City, New York Dec 2, 2023 ([Issuewire.com](https://www.issuewire.com)) - Shabana is a dedicated family nurse practitioner affiliated with Dignity Health, specifically Dignity Health Medical Group. She is driven by the belief that each individual is unique and deserves a comprehensive approach to treatment that respects their specific circumstances and individuality.

In her academic journey, Shabana earned her Associate of Applied Science and Registered Nursing degrees at the Institute of Nursing in Dubai. She then relocated to the United States, achieving her Bachelor of Science in Nursing Degree from Grand Canyon University and her Master of Science in Nursing Degree, specializing in the Family Nurse Practitioner Program, from California State University, Stanislaus.

Demonstrating her commitment to excellence, Shabana is board certified and holds the distinguished title of Diplomate of the American Academy of Nurse Practitioners Certification Board (AANPCB). The AANPCB is an independent, non-profit certifying body whose purpose is to provide a valid and reliable program for the evaluation of individuals wishing to enter, continue, and/or advance in the NP profession through the certification process.

Shabana's certification reflects her dedication to upholding high standards in her field and ensuring the delivery of quality care to her patients. Additionally, she is an active member of the American Association of Nurse Practitioners.

A Family Nurse Practitioner (FNP) is an advanced practice registered nurse who works autonomously or in collaboration with other healthcare professionals, to deliver family-focused care. Given the rather broad nature of the "family" patient population focus, FNPs offer a wide range of healthcare services that revolve around the family unit; from health promotion and disease prevention to direct care and counseling across the lifespan.

Attributing her success to the practice of attentive patient listening, Shabana's approach involves genuinely understanding the patient's perspective by actively listening and allowing them the space to express themselves.

On a more personal note, she speaks multiple languages, including English, Arabic, Hindi, and Urdu.
