

Sharon Peña, Recognized by BestAgents.us as a 2023

When you entrust Sharon as your real estate representative, you can anticipate an experience characterized by utmost professionalism, unparalleled expertise, and an unwavering commitment to the realization of your objectives.

New York City, New York Dec 21, 2023 ([Issuewire.com](https://www.Issuewire.com)) - Sharon Peña is a devoted realtor and

investor with Coldwell Banker Realty, helping clients fulfill their real estate dreams on the island of Oahu.

In the realm of luxury real estate and lifestyle, one name shines bright: Sharon. Inspired by her grandfather's illustrious career and early retirement at 40, Sharon set out to make her mark in the world of real estate. Her journey was driven not only by the allure of financial success but also by the desire to spend quality time with loved ones – a dream that fueled her every step.

As a discreet and knowledgeable professional, Sharon leverages advanced technology and marketing strategies to provide her clients with optimal market exposure. Her expertise in island neighborhoods and culture, coupled with her ability to target home searches, make her an invaluable ally in the real estate process. Her strong negotiation skills and unwavering support throughout the buying and selling journey underscore her commitment to client success.

Before delving into real estate, Sharon soared through the skies in a different capacity. Her first career involved managing multi-million dollar aircraft during her service in the United States Navy, where she operated P-3 Orions and Gulfstream Corporate Jets. Graduating from the top aviation university globally opened the doors to a jet-setting career, providing her with international cultural experience and encounters with global real estate markets. Transitioning into management and customer services, Sharon's 23 years on the island of Oahu have cultivated her deep familiarity with its neighborhoods and celebration of the island lifestyle.

Sharon's passion for real estate and investing is rooted in her post-military discovery of VA benefits. Amazed that, after nine years of service, she hadn't fully understood the wealth-building potential these benefits offered, Sharon became deeply committed to helping veterans and active-duty personnel, as well as the local island community.

Specializing as a Military Relocation Specialist, International Certification, and Global Luxury Closings.
