New York City, New York Jan 3, 2024 ([Issuewire.com](https://www.issuewire.com)) - Tracie is a Commercial Real Estate Agent and Business Broker at 3CRE Commercial Real Estate, operating out of the Columbus, Ohio office.

3CRE Commercial Real Estate is a full-service brokerage company that specializes in business brokering, commercial real estate, multifamily investment properties, and leasing including but not limited to retail, medical, office, and flex spaces, in the Midwest. For over 20 years, the team has represented clients in investment and disposition sales, commercial leasing, tenant representation, property acquisition services, business brokering, and property management services. Their goal is to create winning connections for clients through teamwork and an uncompromising approach that helps them manage all of the “opportunities and risks” investors face.

Holding a Bachelor’s Degree in Marketing from Franklin University, Tracie began her professional journey by overseeing branches for a nationwide financial institution. From there, she transitioned into business and commercial lending, where she gained expertise in commercial transactions.

Her expertise extended to a law firm, where she led the expansion of their title division, focusing on REO, bankruptcies, and foreclosure affairs. Notably, Tracie established a new division dedicated to residential title work, marking a pivotal moment in her career and sparking her passion for real estate.

With a lifelong residency and over two decades of sales management proficiency in central Ohio, Tracie brings a wealth of local knowledge and experience to her current position at 3CRE. Her success stems from her aptitude for cultivating relationships, her people-centric approach, and her goal-oriented mindset.
