Vista Place Dental Centre, a longstanding dental institution in Winnipeg, is proud to announce its initiative – round-the-clock emergency dental care.

Winnipeg, Manitoba Dec 6, 2023 ([Issuewire.com](https://www.issuewire.com)) - Vista Place Dental Centre, a longstanding dental institution in Winnipeg, is proud to announce its initiative – round-the-clock emergency dental care. The clinic, boasting over 30 years of service, is responding to the community's immediate needs by providing accessible and top-notch dental assistance at any hour.

Dental emergencies strike without warning, causing severe pain and distress. Vista Place Dental Centre acknowledges the urgency of such situations, offering a dedicated team of experienced and empathetic [dentists in Winnipeg](#). This committed staff ensures that patients receive high-quality dental care promptly, regardless of the time of day or night.

Dental emergencies demand swift attention, whether it's a sudden toothache, a broken tooth, a lost filling, a dental infection, or trauma to the mouth. Delayed treatment can result in complications such as tooth loss, gum disease, or systemic infections. Recognizing the critical nature of these situations, Vista

Place Dental Centre is committed to addressing them immediately, providing effective and affordable solutions.

The clinic's state-of-the-art facility is equipped with cutting-edge dental technology. Stringent infection control and sterilization protocols ensure the safety and comfort of both patients and staff.

For over three decades, Vista Place Dental Centre has been a pillar in the Winnipeg community, offering a comprehensive range of dental services. These include general dentistry, cosmetic dentistry, restorative dentistry, orthodontics, and sedation dentistry. The clinic's team, comprised of esteemed professionals such as Dr. Lorne Acheson, Dr. Murray Lushaw, Dr. Kris Row, Dr. Gurinder Boparai, Dr. Shaun Corbett, Dr. Jerminder Chhina, Maria, and Dr. Mikos, possesses extensive training and expertise across various dental disciplines. Through continuous education, they stay abreast of the latest developments in dentistry.

Backing the experienced team is a caring and supportive staff dedicated to ensuring patients feel welcomed and comfortable. Vista Place Dental Centre extends a warm invitation to the community, encouraging them to visit the clinic and discover the transformative impact of quality dental care. With a motto of "creating healthy lasting smiles," the clinic is committed to delivering exceptional dental experiences to everyone who walks through its doors.

To schedule an appointment or request emergency dental services, please contact Vista Place Dental Centre at (204) 257-76351 or visit the clinic's website.

As part of the 123Dentist network, Vista Place Dental Centre aligns with a national network of dental clinics, contributing to charitable initiatives such as the Make-A-Wish Foundation, the Terry Fox Foundation, and the Canadian Red Cross.
