

Adam Cooper, BS, RBP, FBCA, a Medical Photographer with Cooper Medical Photography

Get to know Medical Photographer, Adam Cooper, who serves patients and physicians in Delray Beach, Florida.

New York City, New York Jan 18, 2024 ([Issuewire.com](https://www.Issuewire.com)) - A board-certified medical-scientific photographer, Adam is the Principal Medical Photographer with Cooper Medical Photography in Delray Beach, Florida. With over 35 years of experience in the medical photography field, he provides professional, accurate medical photography for patients and physicians who require top level imaging

for multiple purposes. He also has extensive experience with surgical photography.

Additionally, he is the Owner of Cooper Studios, a forward-thinking video and photography company. Specializing in corporate photography, business portraits, residential and commercial real estate, and architectural photography and video productions, Cooper Studios is a trusted name in the industry.

Educated in the United States, Adam obtained his Bachelor of Science degree in Biomedical Photographic Communications from the Rochester Institute of Technology in 1986 and attained certification as a Registered Biological Photographer (RBP) by the BioCommunications Association in 1991.

Throughout his career, he served as the Chief Medical Photographer Director of Photographic Services for Northwell Health for an impressive 32 years. He consistently strives for excellence in all his endeavors, ensuring the utmost quality in every project.

On a more personal note, Adam attributes his success to the sharing of knowledge and the patient centric philosophy that he has developed working in health care for over 35 years. In his free time, he enjoys vacations in Bermuda, nature photography, teaching photo and video, and playing pickleball.
