

Amy Melsaether, MD, a Radiologist with Graviton Bioscience

Get to know Radiologist Dr. Amy Melsaether, who serves patients in New York, New York.

New York City, New York Jan 25, 2024 ([Issuewire.com](https://www.issuewire.com)) - A determined radiologist, Dr. Melsaether is the Chief Medical Officer at Graviton Bioscience in New York.

Back in the early days of her academic career, she graduated with her medical degree from the David Geffen School of Medicine at UCLA in 2004, and completed her residency in diagnostic radiology at the NYU Grossman School of Medicine in 2009.

A proud member of the Radiological Society of North America, the doctor is board-certified in diagnostic radiology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

Radiology refers to the field of medicine that uses non-invasive imaging scans to diagnose a patient. A radiologist is a physician who uses imaging methodologies to diagnose and manage patients and provide therapeutic options.

On a more personal note, Dr. Melsaether attributes her success to hard work and persistence, and being prepared for opportunities that come along.
