

Cartier's First Month - Look At All These Streams!

I'm thrilled to share that Cartier officially hit the shelves on major platforms such as Apple Music and Spotify around Christmas in 2023. A heartfelt thank you for contributing to the streams/views with your combined streaming power.

West Yorkshire, United Kingdom Jan 9, 2024 ([Issuewire.com](https://www.issuewire.com)) - Grimzino, the Hip Hop sensation, is thrilled to announce the release of his latest single, "Cartier." The track is now available on all major digital platforms, captivating audiences with its unique sound, dynamic lyrics and innovative style.

About the Single: "Cartier" is a UK Hip Hop masterpiece that was visually captured by RayHD and engineered by Luca Ray (Producer). The single showcases Scamondale Reservoir, lots of wide camera shots and crisp audio quality, making it a must-listen for fans of rap music or any music in general.

Available on All Digital Platforms: Listeners can enjoy "Cartier" on popular music streaming services such as Spotify, Apple Music, Amazon Music and so on. The single is accessible worldwide, allowing fans to immerse themselves in the complete Grimzino experience with just a click.

Quotes:

"We absolutely loved Grimzino's performance, it was lively, engaging and got everybody dancing" - Barnsley College (20th October 2023)

"Grimzino opened our showcase in Leeds at The Olive Branch (Alwoodley) and it was an absolutely amazing experience. We cannot wait to have the talent perform again!" - (CozyBrand, The Bag UK, Unity Through Music, Studio 88 MCR - 1st December)
