

Cherrywork® Accounts Payable Automation by Incture® Now Available on SAP® Store

Solution from Incture transforms accounts payable into a profit center by reducing manual work, minimizing errors, and gaining full visibility over spends.

Bengaluru, Karnataka Jan 21, 2024 ([Issuewire.com](https://www.issuewire.com)) - Incture® today announced the availability of [Cherrywork® Accounts Payable Automation](#) for purchase on [SAP® Store](#), the online marketplace for SAP and partner offerings. Cherrywork® Accounts Payable Automation is built on the SAP Business Technology Platform (SAP BTP) to streamline end-to-end accounts payable operations, reduce accounting costs, and help increase cash flow for customers.

“Cherrywork Accounts Payable Automation is the hyperautomation solution to step up the source to pay process for our customers. Regardless of the size of the business or the digital capabilities of suppliers, our customers can go 100% digital with our solution, managing invoices and exceptions to reduce process delays, billing errors, and discrepancies in payments. Improving visibility of company spend, reallocating employees to high-value tasks, and achieving higher levels of staff satisfaction are few of the key benefits that automating source to pay process can add to our customers’ business.” – **Ravikiran Papthimar, Director – Products and Technology, Incture**
