Ahmedabad, Gujarat Jan 22, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Agravat Healthcare Ltd, India's top D2C Ecommerce healthcare company, was rewarded with the Amazon STEP Seller Award and Certificate of Achievement. The company has achieved an Advanced Level of outstanding performance in the Amazon Marketplace recently. This prestigious STEP Award points out the healthcare centre's fantastic

achievements in product quality and innovation.

Dr. Agravat Healthcare Ltd presents a distinctive array of products for a host of Personal Care, Oral Care, Wellness, Prevent Oral Cancer, and Quit Smoking Gutkha together. Its primary set of products that have taken the country by storm are:-

- OSMF Vita Ultimate Health Gummies- World's first innovative Lycopene Antioxidant Gummy.
- UNIQUE Mouth Opener- World first and patented physiotherapeutic rehabilitation device.
- OSMF Vita Tablet- Powerful Lycopene Antioxidant.
- OSMF Pops- innovative, Patented, and world-herbal lollypop
- OSMF Oral Gel- Ayurvedic Proprietary Medicines.
- OSMF Smile Toothgel Toothpaste- Powerful Toothgel Toothpaste with Pure 11 Herbal Extracts.
- OSMF Mouth Opening Kit- the world's mouth-opening treatment at home and prevention of Oral Cancer

India has the highest number of suffering from Oral Sub Mucous Fibrosis and oral cancer patients compared to worldwide, primarily due to the poor habit of chewing tobacco and gutkha. Dr Bharat Agravat's patented innovative products lead to providing not only effective but also affordable solutions, such as the OSMF Kit and the QSG Kit. These products are designed to help patients QUIT smoking, chewing tobacco, gutkha, pan masala, etc — a common cause of oral cancer, and restricted mouth opening among other oral diseases.

The products also help them improve their oral and overall health dramatically and stop further degradation of their condition. Both the DIY kits contain products extracted from natural and herbal sources reducing the craving. They also help get over the withdrawal symptoms while also drastically improving oral hygiene and immunity.

Parallely, Dr. Agravat Healthcare Ltd also has a good few online platforms to serve more customers for their distinct needs and provide them with affordable, convenient access to its products and services. These platforms include:
