

Edwin Wald, Recognized by BestAgents.us as a 2023 Top Agent

A firm believer that everyone deserves to live in a home of their own, Edwin loves helping his clients sell their homes and find their dream homes.

New York City, New York Jan 15, 2024 ([IssueWire.com](https://www.issuewire.com)) - Edwin is a real estate broker at Baird & Warner Oak Park/River Forest, the number one real estate office in the area in both volume and units. His affinity for Forest Park is rooted in its strong sense of community and his active involvement within the community.

With a diverse background spanning theater/broadcast, retail management, and historic preservation, Edwin has devoted a significant portion of his life to people-oriented industries. His early exposure to real estate, inspired by his mother, a real estate agent, included assisting her in organizing weekly “multiples”—black and white paper copies of house photos and their descriptions.

Leveraging his expertise from owning and managing various retail establishments, Edwin focuses on serving residential clients, specifically first time home buyers, artists, and the LGBTQIA+ community.

Holding the title of Certified Buyer Specialist, he is a proud member of both the National Association of Realtors and the Oak Park Area Association of Realtors.

Attributing his success to his people skills, Edwin enjoys developing long-term relationships with his clients and serving them, their friends, and families. His exceptional achievements have been recognized with the Baird & Warner Epic Award.

Alongside his real estate career, Edwin excels as an actor and audiobook narrator. In his leisure time, he enjoys cooking, spending time with his partner and dog, and going to the theater.
