

Equation Billionz Launches New EP “Intrusive Thoughts”

Maidstone, Kent Jan 27, 2024 ([Issuewire.com](https://www.issuewire.com)) - Spotify award-winning musical artist Equation Billionz launched his new extended play (EP) album "Intrusive Thoughts" on 14 January. Discover the upcoming artist's varied hip-hop, rap, and afrobeats music repertoire.

Equation Billionz began his professional career at 16. He released his first single track, Faaji. At 17, he collaborated with Teni Makanaki, a Nigerian singer and songwriter, on a piece called Nowadays. He has traveled to Atlanta, Georgia, USA, to create music and network with other artists. While shooting videos in Nigeria, he composed Aute and Benz. Spotify recognized him for his work on Benz. He has headlined his show at Baturey Brew on Lagos Island, Nigeria, and Fela Shrine and Freedom Park.

"I continue to push myself and develop my craft to keep creating more music for my supporters," Equation Billionz said. "I was awarded a plaque by Spotify. It was such an honor being given a chance to showcase myself."

"Intrusive Thoughts" has five tracks that blend dance and house music for a feel-good vibe. The tracks include Self Inflicted, I Just Hope, In Denial, My Feelings, and Be This Way.

"This new EP came as I felt inspired to create an interesting and inviting atmosphere for this project," Equation Billionz said. "I intentionally made it friendly for all music lovers to enjoy and warm to. This project has been my proudest body of work so far. It is full of tracks that all have meaning and depth whilst still providing a jumpy and vibey feel to it."

"Intrusive Thoughts" invites music lovers and enthusiasts to experience musical diversity and a world of musical ecstasy. The album is available via primary streaming services such as Spotify, Apple Music, Deezer, SoundCloud, and Amazon Music.
