

ISCPO Announces Transport Security as a Preferred Vendor Partner

ISCPO Welcomes Transport Security as Preferred Vendor Partner to Further Boost Supply Chain Security

Dallas, Texas Jan 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - Today, the International Supply Chain Protection Organization (ISCPO) proudly announces the exciting addition of Transport Security as a preferred vendor partner. With the increasing risk of cargo theft, ISCPO members rely on various vendors to provide layers of security. Driven by its commitment to continuous improvement, ISCPO is dedicated to expanding its array of vendor solutions, harnessing proven products, and staying at the forefront of industry best practices. The partnership with Transport Security as a preferred vendor helps our members reduce cargo theft and pilferage, protect brand reputation and limit supply chain interruptions.

For ISCPO members, partnering with Transport Security can effectively safeguard their cargo and equipment. The ENFORCER® product range includes high security locks to secure trailer and container doors, dropped trailers and unattended trucks. Their products include ABLOY® heavy duty padlocks and security devices that protect the padlock shackle. ABLOY locks function reliably in extreme environments and allow for various customer based keying solutions.

About Transport Security:

Transport Security, Inc., manufacturer of the ENFORCER® product range, is a leader in cargo security solutions. For over 40 years, Transport Security has been the chosen security partner for thousands of companies and fleets throughout the world. We provide best-in-class physical security products for the trucking, supply chain, portable storage and retail sectors. For more information, visit www.transportsecurity.com.
