

Jamie Cashion Contributes Horseback Riding Expertise to "Black Creek" Cast, Penned by Cynthia Rothrock

Fort Worth, Texas Jan 15, 2024 ([IssueWire.com](https://www.issuewire.com)) - In the recent film "Black Creek", a western action martial arts movie, [Jamie Cashion](#) provided specialized horseback riding training to the cast. Cashion, who appears briefly in the film as First Sergeant Drew Cogan, mainly contributed off-screen by sharing his horseback riding expertise with fellow actors.

"Black Creek", written by Cynthia Rothrock, one of the most prominent female martial artists in the industry, combines the elements of Western and martial arts genres. The film centers around a female gunslinger and features a narrative that blends traditional Western motifs with dynamic martial arts action.

While Jamie Cashion's on-screen presence in the film is limited to a few scenes, predominantly featuring horseback riding, his behind-the-scenes role was significant. Cashion, an experienced horseback rider, provided essential training to the cast, ensuring that they could convincingly portray their characters in the film's numerous riding sequences. His expertise in this area was crucial in bringing authenticity to the scenes and in helping the actors develop confidence and skill in horseback riding.

Cynthia Rothrock's involvement in writing "[Black Creek](#)" is noteworthy. As a leading figure in martial arts and a prominent female martial artist, Rothrock's script brings a unique perspective to the genre,

combining her extensive experience in martial arts with a fresh narrative approach. The film's focus on a female lead character, uncommon in traditional Westerns, showcases Rothrock's commitment to diversifying the genre and highlighting the strength and resilience of female characters.

[Jamie Cashion's previous film roles](#) include appearances in "The Martial Arts Kid" (2015) and "Assassin X" (2016), where martial arts were a central theme. In "Black Creek", his role transitioned more towards supporting the cast in a different capacity, highlighting his versatility and willingness to contribute to various aspects of film production.

The collaboration of Jamie Cashion and Cynthia Rothrock in "Black Creek" underscores the diverse talents present in the martial arts and film community. While Cashion lent his expertise in horseback riding to enhance the film's authenticity, Rothrock's writing infused the screenplay with a unique blend of martial arts action and Western storytelling.
