

New Book, 'MEN ARE USELESS,' is an "LOL" Honest, Salacious Exploration of Male-Female Relationships

Toronto, ON, January 19 – Ellie Russo, author of **MEN ARE USELESS: A Slightly Embellished Account of Women's Relationships with Men**, takes readers on an entertaining and comical journey of women's relationships with men.

A SLIGHTLY EMBELLISHED ACCOUNT OF
WOMEN'S RELATIONSHIPS WITH MEN

"I married
beneath me - all
women do"

"It's better to be
healthy alone, than
sick with someone
else"

"Sometimes it takes
balls to be a woman"

"Man serves the
interest of no
creature except
himself"

MEN ARE USELESS

"I wonder if men and
women really suit
each other. Maybe
they should live next
door and visit now
and then"

"A man who lacks
reliability is
utterly useless"

"Sometimes you've
got to kiss a few
frogs"

"If you want
something said, ask
a man. If you want
something done,
ask a woman"

ELLIE RUSSO

Toronto, Ontario Jan 19, 2024 ([Issuewire.com](https://www.Issuewire.com)) - [MEN ARE USELESS](#) dives deep into the complexities of male-female relationships, through a series of personal anecdotes and hilarious reflections. The author, drawing from her own experiences and those of numerous women she interviewed, presents a candid narrative that oscillates between comical observations and poignant truths about men's behavior in various aspects and stages of life.

MEN ARE USELESS is more than a male versus female critique – it's a journey into understanding the male psyche. The narrative is not only about pointing out flaws, but it's also a call for women to embrace their strengths and resilience.

Balancing wit with wisdom, **MEN ARE USELESS** is more than a lamentation; it's a celebration of womanhood and a guide to understanding the complexities of relationships with the opposite sex. It's a book for every woman who has loved, laughed, lauded, and learned from the men in her life, and for every man curious enough to understand what women truly think and need to be happy. ["Great value for the Money, MEN ARE USELESS is a novel for the ages"](#) - Jessica Stern.

Russo says, "Each story is as unique as the woman who shares it. Collectively, these essays serve as relatable anecdotes and cautionary tales for future generations of women."

About the Author: Ellie Russo, a prolific writer, filmmaker, and devoted mother of three, hails from Toronto, Ontario. Born and raised amidst the cultural tapestry of the city, Ellie's creative spirit found its roots early on. Her written words and cinematic prowess converge in a seamless dance, producing narratives that resonate deeply. Beyond her artistic pursuits, Ellie is an impassioned advocate for female causes and a champion of meaningful relationships. Balancing her roles as a professional storyteller and a nurturing mother, Ellie's life is a testament to the harmonious blend of creativity, advocacy, and the boundless love she shares with her three cherished children.
