

Richard G. Lieberman, MD, DABFM, a Plastic Surgeon with Ageless MDSolutions

Get to know Plastic Surgeon Dr. Richard G. Lieberman, who serves patients in Santa Fe, New Mexico.

New York City, New York Jan 25, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Lieberman, is a distinguished family medicine specialist with an impressive four decades of experience in providing compassionate and comprehensive healthcare.

In addition to his work in family medicine, he has embraced the evolving field of minimally invasive cosmetic procedures. Leveraging his extensive medical background, he currently specializes in neuromodulation with Botox and Xeomin, volumization using Juvederm, Restylane, and Belotero, as well as fat reduction through Kybella.

Throughout his academic career, the doctor is a graduate of Yale University and New York Medical College. After completing his medical studies, he pursued residencies and postgraduate studies at the University of New Mexico and Denver General Hospital, further refining his medical expertise.

His leadership in the medical community is highlighted by his term as Chief of Staff at St. Vincent Hospital in Santa Fe. This role showcases not only his clinical expertise but also his commitment to fostering a collaborative and patient-centered healthcare environment.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories – reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.
